## ESL Podcast 4 - A Good Review of a Play

Tags: Entertainment

I invited Bruce to a play at the Mark Taper Forum and we **got there** a little early. We **handed** our tickets to the woman at the door and **found** our seats.

Megan: I'm glad we got here early to find our seats. I know that this is a **sold out performance**.

Bruce: The **cast** is supposed to be really good. I read a **rave review** of the play in the **paper** last week. The review said that the **leads** are **perfectly cast** and the **directing** is **inspired**. Federica saw it a couple of weeks ago and she said that the **staging** and the **costumes** were really **something to see**

Megan: I'm really glad. The last time I came to a play at this theater, it was a **bomb**. The two **lead actors** weren't **up to their parts** and the whole production was **amateur**. It **closed early** after only two weeks.

Bruce: That won't happen with this play. Hey, they're **dimming the lights**. The **curtain** should be going up **any minute**
